Housekeeping

As an environmentally conscious organization and proud holder of Travel Life Gold Award for Sustainable Tourist, the Enclave Hotel & Suites is an Eco-friendly resort. One highlight of our program is the reduction in the use of chemicals and detergents through providing housekeeping services upon request. If you require housekeeping services, please place the "Clean my Room Please" or if you prefer only towels, the "Towels Only Please" door hanger on the outside of your door before 9 am and the housekeeping team will know you require housekeeping services.
